Alternate Delegate Report

2- Day Fall Assembly

October 17-18, 2026

Dear Al-Anon Family,

I am looking forward to passing the Alternate Delegate position on to another member this weekend, so they can be blessed like I have been in serving in this position.

By the time I am reading this report, my son and daughter-in-law will have delivered a little girl, and I will be close to finishing up two classes at Cleveland State University. After this semester, I will have 4 more classes left which moves me closer to completing my bachelor's in accounting.

Also, for the third issue of the 2026 Ohio Al-A-Notes, I am asking members to share what they loved about their service position and those of you who volunteered to be on the next panel, it would be great if you would write a short paragraph on why you choose the position you stood for. If you could please email me your shares by the 19th of November I would appreciate it. My email is merrig.iamfree@gmail.com

Thank you for the privilege of being your Alternate Delegate. I know whoever takes this position will be blessed to be part of this body who are both gracious and loving.

In loving Service,

Merri G.

Alternate Delegate

Panel 64
