AA Liaison

The August 14-16 2026 AA conference with Al-Anon participation was held at Cherry Valley Lodge near Granville Ohio. This included a dynamic Al-Anon lead, speaking workshops on Steps 1, 2 and 3, and open Al-Anon meeting. Mostly, a great opportunity to experience the cooperation between our two programs--AA and Al-Anon.

My term as your AA Liaison is over, and I turn over this position to another trusted servant. Through this service I learned to interact with AA members differently…better. I experience more trust with people who have this disease, and more compassion for myself and others in Al-Anon. I will miss the AA's that I've gotten to know and will remember this time. Thank you for the opportunity to be of service.

(For specifics about the position, please watch the AA Liaison video posted by Daisy, our secretary.)

District 28

District #28 is alive and well, with 7+ active meetings within the District. I've been encouraging GRs from these meetings to step up as DR for District 28, as my 3-year term is over in December 2026 and I will continue to recruit actively. It's been great for me to experience the links of service. My recovery has benefitted with new meetings and new Al-Anon opportunities. Thank you for opportunity to be of service.

With gratitude,
Kim R.
