Meeting started at 12:30 PM with the Serenity Prayer. This was led by Chairperson, Sandra F. who welcomed everyone to the AWSC Meeting.

The Traditions were read by Susan W. DR for District 26, the Concepts of Service were read by Chris M. Past DR for District 56 and the General Warranties were read by Betty M. Alternate DR for District 34.

A motion was made by Barbara W. to waive the reading of the Minutes from the March AWSC meeting and accept them as written. Motion seconded by Janice R. Unanimously passed and minutes were accepted.

Treasurer, Theresa M.-

We have taken in more than we have spent since the Spring Assembly -however, I don't know if I am going to be hit with a bunch of expenses in the near future!! I hope to be able to figure out how to present material in a power point presentation by the fall assembly - but it will all depend on available time between now and then. The next plea letter will be done before Fall Assembly. Members were generous, but submitted donations were not always clear if they were from the group via the plea letter or a regular contribution from the group. I am not the group records person, so sending me the "new address of the group treasurer" is not a part of my job. I also do not need letters explaining why your group is not sending money -- all contributions are voluntary :). Vouchers are always available on the ohioal-anon.org website. I will have some copies at the meetings. Please only take these if you are submitting a voucher at the meeting. Remember that copies or originals of your receipts for these must be included in order to be reimbursed. Any member who has questions or who wishes to know if their group or individual contribution has been received may email me at [treasurer@ohioal-anon.org](mailto:treasurer@ohioal-anon.org) or snail mail at AFG of Ohio, Inc., PO Box 18062, Fairfield, OH 45018. Yours in Service. Theresa M.

Alternate Delegate and AI-A-Notes Editor, Ginny C-

Deadline for the summer issue of AI-A-Notes is tomorrow (August 12th). Please email me or give me a written copy as soon as possible. For the past two months, I have been doing research for the Task Force to explore electronic vs. USPS mailing of the AI-A-Notes and the minutes. I have looked at all the Area websites in the U.S. Some Areas no longer issue a newsletter, some print and mail them, some email them and some post them to their websites and others have a members only section that is password protected on their websites.

Delegate, Rex M.-

I am going to keep my report until 2 day Fall in October. One item that should be announced is that we have a Spanish speaking group in Ohio. Have some changes in AWSC list to be taken care of. Please sign that you received Summary. Rex Mc V, Panel 52 - Ohio.

*Chairperson Sandy F. requested that all coordinators hold their reports until the Fall 2012 Assembly unless timely concerns needed to be reported.* The following coordinators advised the Chair that they would hold their reports until the Fall Assembly and did not submit a report at this time: Alateen Coordinator - Rose R, Archives Coordinator - Caroline D, Forum Coordinator -- Sharon B, Literature Coordinator - Shirley M.

Group Records Coordinator, Phil H.-

If the DR's are still having difficulty getting their reports from E-Communities -- please see me after the meeting. I can email you the basic instruction page. I have the District Reports here with me, as well as the individual group reports. I can print those off after the meeting as well. The new GR-1 Registration/Change Form is on the table, along with the instructions. Please, PLEASE note - this form is for AL-ANON groups. If you have a change for an ALATEEN group, please see Janice R. It is a different change form.

As of 9:00 PM last night, here are the statistics: A total of 445 active groups, holding 456 meetings. Some of these are multiple meetings and some are beginner's meetings. WSO is starting to list beginners meetings separately, so I have to check through records to get an accurate group count. A total of 16 groups in "No Mail" status. DR's please check to see if these groups are in your district and let's get a good address for them. Groups stay in "No Mail" status for two years, then are listed as "Inactive" for one year, then deleted from the WSO database. A total of 128 "Inactive" groups. We have found some groups meeting that were listed as "inactive". Again, DR's, please check over your District Report to see if you have a group still meeting that is listed as inactive. Finally, check in your district to see if you have a group meeting that simply isn't listed. If so, CALL ME! I can check the "Deleted" group list that I have and we can find out what's happened. Groups listed as "No Mail", "Inactive", or not listed at all receive NO mail from WSO or the Area. I need your help with this - I can't do it alone. Thanks to ALL of you for your service and support! Phil H.

Areas do not have the autonomy to change the original six points of the Minimum Safety and Behavioral Requirements for Al-Anon Members Involved in Alateen Service. The Minimum Safety and Behavioral Requirements must be met by all area using the Alateen name in order to be in compliance. Area may exceed the requirements by adding additional requirements, as deemed suitable by each Area, (i.e. Ohio added #7 in May 2005 and #8 in 2011.) but the original six points determined by the Board of Trustees in 2003 and affirmed by the World Service Conference in 2004 may not be altered.

This means that anyone who has ever been convicted of a felony of any kind is not eligible to become certified for Alateen Service. The only way a member with a felony conviction could become eligible for certification would be if they were able to have the conviction expunged from their record by the courts.

There was additional discussion from the AWSC regarding concerns raised by the Cleveland DR Merri G. regarding the KBDM submitted and the KBDM process itself. Past Delegate Barbara W. reviewed the history of Ohio Assembly regarding the additions made to the Minimum Safety Requirements.
