Ohio Al-Anon Convention Report

The Ohio Al-Anon Convention was held August 6–8 at the Bergamo Center for Lifelong Learning near Dayton, Ohio. We had 144 people register for the convention.

Participants enjoyed the speakers and breakout sessions, as well as opportunities for fellowship while walking and enjoying the beautiful campus. The weather provided us with a few lessons in powerlessness when we lost some power Friday night. With the help of our fellowship and our Higher Power, we were able to adjust and continue with the convention.

Please see the attached financial report for additional details. Registration continued to increase as we got closer to the event, and the convention ultimately resulted in a surplus of $6,368.81.

Since making a profit was not the intent of the convention, we recommend that the surplus be dispersed equally among four recipients:

- $1,592.20 to next year's Ohio Al-Anon Convention
- $1,592.20 to the World Service Organization
- $1,592.20 to Ohio Al-Anon
- $1,592.20 to Miami Valley Intergroup Al-Anon

We are grateful for the participation, service, fellowship, and support that helped make the convention a success.
