

**Two Day Fall Assembly  
Oct 19-20, 2014**

**DELEGATE'S REPORT**- Rex M.

Coming to the end of three year term of service as Delegate, there has been a lot of busy time. There were two World Service Conferences in Virginia Beach. I served on Literature Committee. Ginny C served my last WSC due to back surgery.

I served on Thought Force on Abundance and Spirituality in Money Discussions and still have some wrap up with this. We had several phone conference calls on this subject. We should be able to finish it up later this year with a final call.

Today I talked to Austin M past, Chair of Ohio Assembly. He is doing well and going to therapy three times a week, but is still weak. I also talked to Bob J my sponsor. He had a stroke and is recovering.

We submitted application to "Meet the Board". The request will be compiled and presented to the Board of Trustees in October 2014. A final decision will be announced December 2014.

There have been many problems with Al-Anon groups wanting to run meetings their way. Not using Steps, Traditions or other Literature.
