

Task Force for the Rotation of Ohio Area Convention and Fall Assembly Locations Years

The Task Force has had ongoing discussions about the topic of the rotation for the locations for the Ohio Area Conventions and our Two-Day Fall Assembly host locations.

At the Fall 2021 Assembly the Task force presented the KBDM report for the Task Force. The Task Force was then charged with formulating a motion to present to Assembly at the 2022 Spring Assembly.

In this Motion the Fall assembly rotation remains as is with only the years updated and the rotation of the Ohio Area Convention changing so host locations do not host events in the same year or in back-to-back years as Two-Day Fall Assembly.
