

Alateen: Spring 2022

Budget:

No money has been exchanged since last AWSC, although check did just get cashed for the \$1500 for KOMIAC

Current Balance: \$9455.95

AAPP Need:

Need an alternate AAPP immediately and a replacement likely needed due to health reasons.

Lack of AAPP creates challenges for timely entering of information and will prevent proper recertification.

KOMIAC:

Currently planned for Indiana, last weekend in July 29-31. Will likely be low numbers based on all of the states reported attendance.

Kentucky in the process of recertifying plans to have it completed before KOMIAC

Alateen Rally

Plan for in person Alateen Rally at Clague Road Cabin in Westlake on 4/9/2022, working on details.
