FBI Background Checks and Fingerprinting

New AMIAS are required, as part of the Minimum Safety and Behavioral Requirements, to have an FBI background check with fingerprinting. Then after the 5th year, the FBI checks are required again.

Most AMIAS applicants call and go to their local Sheriff Office for FBI checks with fingerprinting, or alternately you may go to an FBI-approved Channelers locations, a list of can be found at <https://www.fbi.gov/how-we-can-help-you/more-fbi-services-and-information/compact-council/list-of-approved-channelers>

Listed are the codes that you might need when getting fingerprinted:

3127 121

3319 39

4757 101

2151 86

For all AMIAS, the FBI fingerprint with a (National) background check are required.

Note: if your Alateen meeting is in an Ohio School, they also require a BCI (Ohio) background check from your fingerprints
