

2022 Fall AWSC BUDGET COMMITTEE REPORT

Our Budget Committee is meeting regularly to review our spending status, review requests and make any necessary changes or approvals to the Budget. We do this in close coordination with our Treasurer, who is a vital member of the Budget Committee.

1. Currently we have more in the Bank (checking accounts) than in the Ample Reserve
2. Funds are available for projects or workshops that Coordinators or Committee Chairs would like to propose
3. Reimbursement was provided to those who drove Alateens to Terre Haute, IN for KOMIAC at the Indiana State University in lieu of a bus.

Respectfully,

Cherryl C, Budget Committee Chair
