Hi Everyone,

I am honored to be your Alternate Delegate for Panel 64.

I am excited that one of my duties is putting the Ohio AI-A-Notes together at least 3 times a year.

However, that means that I will need willing members to send in sharing's for me to publish. I am looking forward to hearing from all of our officers and committee members that are published on our AWSC (Area World Service Committee) list.

Once completed, the Ohio AI-A-Notes will be sent to all the CMA's (Current Mailing Address) by our secretary, and I will be responsible for emailing a copy to everyone on the AWSC list. Please be aware, if you are a CMA for a group and a DR, you may get two copies in your inbox, one from our secretary and one from me.

With that being said, I really enjoyed several years ago writing about my favorite piece of literature, so I thought it would be nice to hear from all of you what your favorite piece of CAL (Conference Approved Literature) is and how it has impacted your life.

Please email me your contribution in a Word Document by March 31st to merrig.iamfree@gmail.com and, I will purpose to get the first publication out by the second week of April.

In Gratitude,

Merri G.
