

DISTRICT REP REPORT
District #26

Susan is a new DR. I have made email list of my GRs for my purposes. I have not yet started to "attend/visit" meetings due to winter weather and I am a weenie-schnitzel about driving in snow/night. These 5 districts HAVE re-zoomed Intergroup which "tanked" during Covid. We met on Feb 3 and plan to meet via ZOOM every month, at least to get things started and peeps in positions/committees. We are reviewing the Guidelines for Central Ohio and BYLAWS of Ohio. We believe we are in compliance with "suggested" guidelines.

Yours in service
Perfectly imperfect,

PUBLIC OUTREACH in Columbus Area

Couple of outreach activities here in Central Ohio

1. Starbucks – They have "magnetic" bulletin boards and are DELIGHTED to display 8X11 "poster" which simply states "Concerned about someone ELSE'S drinking? Al-Anon Family Groups can help." And then local office phone #. (I make them, happy to mail to anyone interested) And then I have "business cards" printed and taped to poster. Cards are being taken!
2. Libraries – 4-tier acrylic business card holders (about 4\$ each) have been placed in Cbus Met Lib branches. Next will do high school libraries (awaiting Superintendent permission) and colleges and ERs.
