Group Records Update

As Area Group Records Coordinator, I am the keeper of Area 44 Al-anon group information through the database. And I am the primary contact between our Area and the WSO regarding our group changes.

*All new changes should be channeled through me, **preferably through the Group Records Online Change Form.** This change form goes directly to me.*
[Members Page](#) » [Group Resources](#) » [Group Records](#) »

I am in contact with the WSO with any information that I need assistance with regarding Alanon Family Groups.

***I continue to encourage you to use the WSO Online Group Records change form.**

***I continue to encourage you to include WSO identification number when submitting a change.**

***I encourage AIS offices to contact me with any information needed that I might have as your AGRC.**
