

## Area 44 Fall AWSC 2025 - AAPP Report (as of 8-4-25)

The Area 44 Ohio Recertification is completed, we met the WSO deadlines.

We currently have

62 Active Ohio AMIAS

14 Active Ohio Alateen groups

Task Force Report on Ohio Area 44 Alateen Safety and Behavior Requirements (ASBR):

Our ASBR, that was accepted at 2024 Fall Assembly, was approved by WSO, but recommended minor "housekeeping" changes. So at the Fall AWSC, we will review only the ASBR pages with revisions (shown in red), and then seek acceptance at the 2025 Fall Assembly.

See the recommended Motion for 2025 AWSC/Fall Assembly.
