

Alternate Delegate Report

AWSC Meeting

August 22, 2026

Dear Al-Anon Family,

I am looking forward to passing the Alternate Delegate position on to another member who will find that the position is not very time-consuming. The main responsibilities are:

1. Printing and putting together the Group Representative Packages.
2. Working with the Delegate to Facilitate the Orientations for the new Group Representative which are in May and October and the new District Representatives which are in March and August
3. Finally publishing the Ohio Al-A-Notes Newsletter 3 times a year which is composed of sharing's' on topics of your choosing. This newsletter often lists upcoming events and sometimes motions that will be voted on at the upcoming assembly. The completed newsletter is sent to our Ohio Assembly Secretary who emails them to the members of AWSC and the Group Representatives and CMA's.

Also, for the second issue of the 2026 Ohio Al-A-Notes, I am asking members to share why they volunteered to take a service position and how their home life changed as a result? Please email the shares to me by Saturday September 26th, 2026.

I am looking forward to this year and while this meeting is on zoom, I am sending you all a virtual hug through this report.

In loving Service,

Merri G.
