

2026 Fall AWSC-District #26

I am responding to request for report for Fall AWSC. I am the District Rep for #26 (northern part of Columbus). My term will be over at the end of this year.

Our Districts were asked by WSO, via Rose Rollins to make contact with The Peacock Company. This is a facility on the East side of Columbus. I did speak with Jamoya Cox (founder) at 614-209-4702. He stated previous contact was out ill (Krista Stahr). They are looking to offer an Al-Anon Family Groups meeting at their facility. There is an AA meeting on Thurs night and an NA meeting on Friday night. They wish to offer an AFG meeting Wed nights.

Sharon D (sharond68@gmail.com) will be meeting with Mr. Cox THIS Friday (8-7-26) at 2:30pm at the facility located at 678 S. Yearling St. I will put out an email to ALL the GRs and CMAs in these districts (Lisa W, our Intergroup secretary has a list of all emails) to ask who might be interested in this service opportunity. Sharon D stated she wished to start meeting at MaryHaven, though that facility is having some financial difficulties. I did contact DR Kim R with this information.

Yours in service,

Susan M. Hansen
